The Auditors in their Limited Review Report on the Statement of Unaudited Standalone Financial Results for the period ended 30th September 2021, interalia, have reported as under:

>>>Quote

Basis for Qualified Opinion

The company's net worth has been completely eroded. The accumulated losses in the reporting period, amounts to Rs. 5181.30 millions (Previous year ended 31.03.2021 Rs. 5036.68 millions). Further the company has overdue loans to various financial institutions amounting to Rs.719.13 millions and the turnover during the period ended 30th Sept, 2021 is Rs. 6.94 millions (previous year ended 31.03.2021 Rs.15.64 millions) as per the books of accounts maintained.

In the absence of external confirmation of balance as at 30th Sept 2021 in respect of suppliers, customers, depositors, bank/financial institutions and others, we are unable to comment on it.

Material Uncertainty related to 'Going Concern'

We draw attention to the following note to the financial statements:

During the period under audit, there was no production in the Chennai and Vizag plants and are being considered as discontinued operations. Turnkey Project Business Segment is being considered as Continuing Operations.

These factors indicates the existence of a material uncertainty that may cause significant doubt about the company's ability to continue as a going concern. The company is in the discussion of re-vitalization and long term stability and growth of its Turnkey Project Business unit. In light of the management's expectation of the outcome of above discussion and re-vitalization, the financial statements have been prepared on a going concern basis. However in view of the above mentioned matter, we are unable to comment on the ability of the company to continue as a going concern as per SA 570.

**LIMITED AUDIT REVIEW REPORT**

The Board of Directors
W.S. Industries (India) Limited
108, Mount Poonamallee Road
Porur, Chennai-600116.

We have reviewed the accompanying statement of unaudited standalone financial results of M/s. W.S. Industries (India) Limited for the period ended 30th Sept 2021. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Opinion

The company's net worth has been completely eroded. The accumulated losses in the reporting period, amounts to Rs. 5181.30 millions (Previous year ended 31.03.2021 Rs. 5036.68 millions). Further the company has overdue loans to various financial institutions amounting to Rs.719.13 millions and the turnover during the period ended 30th Sept, 2021 is Rs. 6.94 millions (previous year ended 31.03.2021 Rs.15.64 millions) as per the books of accounts maintained.

In the absence of external confirmation of balance as at 30th Sept 2021 in respect of suppliers, customers, depositors, bank/financial institutions and others, we are unable to comment on it.

Material Uncertainty related to 'Going Concern'

We draw attention to the following note to the financial statements:

During the period under audit, there was no production in the Chennai and Vizag plants and are being considered as discontinued operations. Turnkey Project Business Segment is being considered as Continuing Operations.

These factors indicates the existence of a material uncertainty that may cause significant doubt about the company's ability to continue as a going concern. The company is in the discussion of re-vitalization and long term stability and growth of its Turnkey Project Business unit. In light of the management's expectation of the outcome of above discussion and re-vitalization, the financial statements have been prepared on a going concern basis. However in view of the above mentioned matter, we are unable to comment on the ability of the company to continue as a going concern as per SA 570.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

Impact of COVID-19:

The effects of COVID-19 pandemic on the Company's operations and compliances does not have any significant impact in the company's overall performance during the reported period.

It is not appropriate to estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the company for future periods.

The payment of dividend on Non Convertible Cumulative Redeemable Preference Shares is contingent on various factors as mentioned in the Note no.26 to the audited financial statements for the year ended 31st March 2021, which is currently uncertain and hence the amount payable has been treated as contingent liability.

Our conclusion is modified in respect of the above matter.

**LIMITED AUDIT REVIEW REPORT**

The Board of Directors
W.S. Industries (India) Limited
108, Mount Poonamallee Road
Porur, Chennai-600116.

We have reviewed the accompanying Statement of unaudited consolidated financial results of M/s.W.S. Industries (India) Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and its share of the net profit/(loss) after tax and total comprehensive income / loss of its subsidiaries for the period ended 30th Sept 2021 ("the Statement"), being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

The Statement includes the results of the following entities:

- Holding Company
 - W.S. Industries (India) Limited
- Subsidiary Companies
 - 1. Vidagara Tech Park Private Limited
 - 2. WS Insulators Private Limited

Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Opinion

The group's net worth has been completely eroded. The accumulated losses in the reporting period, amounts to Rs. 5181.94 millions (Previous year ended 31.03.2021 Rs. 5037.22 millions). Further the Holding Company has overdue loans to various financial institutions amounting to Rs.719.13 millions and the turnover during the period ended 30th Sept, 2021 is Rs. 6.94 millions (previous year ended 31.03.2021 Rs.15.64 millions) as per the books of accounts maintained.

In the absence of external confirmation of balance as at 30th Sept 2021 in respect of suppliers, customers, depositors, bank/financial institutions and others of the Holding Company, we are unable to comment on it.

Material Uncertainty related to 'Going Concern'

We draw attention to the following note to the financial statements:

During the period under audit, there was no production in the Chennai and Vizag plants of the Holding Company and are being considered as discontinued operations. Turnkey Project Business Segment of the Holding Company is being considered as Continuing Operations.

These factors indicates the existence of a material uncertainty in the Holding Company that may cause significant doubt about the Holding Company's ability to continue as a going concern. The Holding Company is in the discussion of re-vitalization and long term stability and growth of its Turnkey Project Business unit. In light of the management's expectation of the outcome of above discussion and re-vitalization, the financial statements have been prepared on a going concern basis. However in view of the above mentioned matter, we are unable to comment on the ability of the Holding Company to continue as a going concern as per SA 570.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

Impact of COVID-19:

The effects of COVID-19 pandemic on the group's operations and compliances does not have any significant impact in the group's overall performance during the reported period.

It is not appropriate to estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the group for future periods.

The payment of dividend on Non Convertible Cumulative Redeemable Preference Shares of the Holding Company is contingent on various factors as mentioned in the Note no.26 to the audited financial statements of the Holding Company for the year ended 31st March 2021, which is currently uncertain and hence the amount payable has been treated as contingent liability.

Our conclusion is modified in respect of the above matter.

**LIMITED AUDIT REVIEW REPORT**

The Board of Directors
W.S.Industries (India) Limited
108, Mount Poonamallee Road
Porur, Chennai-600116.

We have reviewed the accompanying statement of unaudited standalone financial results of M/s. W.S.Industries (India) Limited for the period ended 30th Sept 2021. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Opinion

The company's net worth has been completely eroded. The accumulated losses in the reporting period, amounts to Rs. 5181.30 millions (Previous year ended 31.03.2021 Rs. 5036.68 millions). Further the company has overdue loans to various financial institutions amounting to Rs.719.13 millions and the turnover during the period ended 30th Sept, 2021 is Rs. 6.94 millions (previous year ended 31.03.2021 Rs.15.64 millions) as per the books of accounts maintained.

In the absence of external confirmation of balance as at 30th Sept 2021 in respect of suppliers, customers, depositors, bank/financial institutions and others, we are unable to comment on it.

Material Uncertainty related to 'Going Concern'

We draw attention to the following note to the financial statements:

During the period under audit, there was no production in the Chennai and Vizag plants and are being considered as discontinued operations. Turnkey Project Business Segment is being considered as Continuing Operations.

These factors indicates the existence of a material uncertainty that may cause significant doubt about the company's ability to continue as a going concern. The company is in the discussion of re-vitalization and long term stability and growth of its Turnkey Project Business unit. In light of the management's expectation of the outcome of above discussion and re-vitalization, the financial statements have been prepared on a going concern basis. However in view of the above mentioned matter, we are unable to comment on the ability of the company to continue as a going concern as per SA 570.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

Impact of COVID-19:

The effects of COVID-19 pandemic on the Company's operations and compliances does not have any significant impact in the company's overall performance during the reported period.

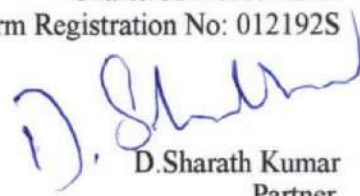

It is not appropriate to estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the company for future periods.

The payment of dividend on Non Convertible Cumulative Redeemable Preference Shares is contingent on various factors as mentioned in the Note no.26 to the audited financial statements for the year ended 31st March 2021, which is currently uncertain and hence the amount payable has been treated as contingent liability.

Our conclusion is modified in respect of the above matter.

**LIMITED AUDIT REVIEW REPORT**

The Board of Directors
W.S.Industries (India) Limited
108, Mount Poonamallee Road
Porur, Chennai-600116.

We have reviewed the accompanying Statement of unaudited consolidated financial results of M/s.W.S.Industries (India) Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and its share of the net profit/(loss) after tax and total comprehensive income / loss of its subsidiaries for the period ended 30th Sept 2021 ("the Statement"), being submitted by the Holding Company pursuant to the requirement of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

The Statement includes the results of the following entities:

Holding Company
W.S.Industries (India) Limited

Subsidiary Companies

1. Vidagara Tech Park Private Limited
2. WS Insulators Private Limited

Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Opinion

The group's net worth has been completely eroded. The accumulated losses in the reporting period, amounts to Rs. 5181.94 millions (Previous year ended 31.03.2021 Rs. 5037.22 millions). Further the Holding Company has overdue loans to various financial institutions amounting to Rs.719.13 millions and the turnover during the period ended 30th Sept, 2021 is Rs. 6.94 millions (previous year ended 31.03.2021 Rs.15.64 millions) as per the books of accounts maintained.

In the absence of external confirmation of balance as at 30th Sept 2021 in respect of suppliers, customers, depositors, bank/financial institutions and others of the Holding Company, we are unable to comment on it.

Material Uncertainty related to 'Going Concern'

We draw attention to the following note to the financial statements:

During the period under audit, there was no production in the Chennai and Vizag plants of the Holding Company and are being considered as discontinued operations. Turnkey Project Business Segment of the Holding Company is being considered as Continuing Operations.

These factors indicates the existence of a material uncertainty in the Holding Company that may cause significant doubt about the Holding Company's ability to continue as a going concern. The Holding Company is in the discussion of re-vitalization and long term stability and growth of its Turnkey Project Business unit. In light of the management's expectation of the outcome of above discussion and re-vitalization, the financial statements have been prepared on a going concern basis. However in view of the above mentioned matter, we are unable to comment on the ability of the Holding Company to continue as a going concern as per SA 570.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

Impact of COVID-19:

The effects of COVID-19 pandemic on the group's operations and compliances does not have any significant impact in the group's overall performance during the reported period.

It is not appropriate to estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the group for future periods.

The payment of dividend on Non Convertible Cumulative Redeemable Preference Shares of the Holding Company is contingent on various factors as mentioned in the Note no.26 to the audited financial statements of the Holding Company for the year ended 31st March 2021, which is currently uncertain and hence the amount payable has been treated as contingent liability.

Our conclusion is modified in respect of the above matter.
